Seating and tables for dining area
Tables for food preparation
Ice Box for short term food storage—food will be issued from Sub-Camp cool room
Gas bottles and stoves for camp cooking Note; Check Gas bottles are full
Gas Barbecue
Gas hot water service –for washing up etc.
Gas /Battery lights for cooking and dining areas. Spare batteries.
Spade broom rake etc
Rope for clotheslines ,fencing ,camp gadgets
Coloured bunting and star droppers to fence off your camping area
FIRST AID KIT—check it is up to date and has been restocked—including record book
Fire Safety gear—water buckets in kitchen dining area—Fire blanket if available
A Fire Extinguisher- powder type- for each campsite –you may be able to borrow one.

Kitchen

Matches or lighter
Plastic wrap or bags to protect food
Disposable plastic gloves for food handling
Cooking pots
Trays or bowls for food prep
Knives /spatula/ spoons /ladles /BBQ tongs etc
Washing up bowls /dish mops /scrubbers, dish washing liquid etc
Tea towels
Garbage bags and bin—to hold rubbish until transfer to rubbish collection point
Buckets –to carry water—you may not be able to camp next to a tap
A hose with snap fittings and tap may be helpful if you are not near a tap.
Large drink containers [with tap] for cordial etc

Coolroom

Coolrooms for the Sub-Camps will be provided by Branch.
The coolrooms will have to be positioned near the Northern ASU in order to access power.

Note

Leaders please check that:

- Gear is in good condition—don't forget the tent pegs
- Leaders' cooks know how to use the gear.

If you are short of gear talk with the other groups or contact camp manager
