

28th / 30th March 2014

ADF SC5

Welcome to Revolution 14: 'Land & Sea' The biggest state-wide combined Hoporee and Cuboree camp. Districts of Beadell and Heysen will combine to create one Sub-Camp.

Bardell and Heysen Group Leaders and Treasurers

Your Sub-Camp 5 Management team will be guiding you through the process of planning, preparation and action for coming Revolution 14.

Application trail:

All youth and Leader applicants must have a scout membership number please:

Parents can complete the on-line application or hard copy one. If hard copy is presented to the Group either the Section Leader or Treasurer will need to ensure it is placed on-line before coming to the SC5 Manger.

Everybody attending Revolution 14 is required to complete an application form ('NO form: No Camp').

All signed application forms + revolution fee are handed to the Scout Group Section Leader. The Section Leader will need to also sign these forms as well as make a copy to hold. Forward the original application forms + fee to the Group Treasurer.

There will be no new applications in first term 2014

Money:

The Revolution price is not the end cost unfortunately; there are a few hidden costs that most people do not see: Your group may also have a travelling cost component to consider as well. We have promoted fundraising as far back as May this year to cover extra charges. Ask your Group Leader if the group will be paying this extra cost rather than have this as an individual one. The SC5 surcharge of \$15 is not required to be paid until 2014.

The Group Treasurer: Ensure each form has been signed by all parties:

The treasurer will collate forms and the money ready for posting to the SC5 Manger:

Will direct deposit money (the revolution fee) to the SC5 Manager's account provided or, provide a cheque that covers the revolution fee and make the cheque out to:-

'Scouts SA – Heysen District' and include with the application forms when posting please.

All applications and fees are due to the Sub-Camp 5 Manager before the application closing date and the December date to be advised.
